DAY 04 - CEIBA TOPS - IQUITOS

From Indiana you will take motorized moto-rickshaws to cross a paved land bridge connecting the Amazon and Napo Rivers to the market & trading town of Mazan, capital of this region on the Napo River.

Mazan is especially interesting at this time of day as the early morning market has a variety of products and produce that come from the surrounding forest.

From Mazan you will return to Indiana: look for interesting topiary as you get close to the town and then travel by boat back to Ceiba Tops.

Afternoon journey back to Iquitos and on to the airport.

Breakfast, Lunch (if departure flight allows)

NB. Due to the ever-changing nature of the rainforest, day-by-day activities may vary in order, due to weather, trail or river conditions.
